MONTANSTAHL
SPECIAL PROFILES IN STEEL

To our valued customers

Dear Sirs,

Consistent with the Securities and Exchange Commission (SEC) directives, we herewith confirm that to produce our steel profiles we do not employ any tin, tantalum, tungsten and gold purchased in or manufactured by the Democratic Republic of Congo and its neighboring Countries.

In compliance with the SEC directives, we confirm we will not source our raw materials from conflict areas and expect our suppliers to conform to our Code of Conduct.

The products we supply to your Company are therefore DRC conflict free.

Best regards
