F-GASES DECLARATION

Declaration of Compliance With EU Regulation No. 517/2014

We, Montanstahl AG, hereby declare that none of our products contain fluorinated greenhouse gases (f-gases).

As per EU Regulation No. 517/2014 concerning the control of emissions of f-gases, our products are exempt from the licensing requirements for importation into the European Union. We are committed to adhering to all environmental regulations and ensuring that our operations and products meet the highest standards of environmental stewardship.

Sincerely,

Montanstahl AG
